On behalf of our physicians, nurses and staff, welcome to University Women's HealthCare. We are located in the U of L Health Care Outpatient Center at 401 East Chestnut Street. Parking is available directly across from our office in the U of L Health Care Parking Garage. For your convenience, please use the 3rd floor pedway to access our building.

For your first visit to our office, please arrive at least 30 minutes prior to your scheduled appointment time. Please bring with you a current picture ID and a list of all medications you are currently taking, along with the following completed forms:

- Patient registration
- Consent to medical care

Registration forms can be mailed to you or accessed online through our website: universitywomenshealthcare.com.

Completing all paperwork prior to your arrival enables us to begin your care quickly and better serve your medical needs. If you have insurance coverage, you will need to present your insurance card(s) at the time of your appointment. Co-pays and deductibles are also due at this time. If your insurance company requires preauthorization or a referral from your primary care physician, please obtain this prior to your appointment.

The team at University Women's HealthCare is dedicated to providing you with the best care available. If you have any questions or concerns prior to your visit, please do not hesitate to call us at (502) 271-5999. We look forward to meeting you.
